SCHEDULES OF ASSETS AND LIABILITIES FOR

RGN – National Business Centers, LLC

Case No: 20-11962

**GLOBAL NOTES AND STATEMENTS OF LIMITATION, METHODOLOGY, AND
DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND
LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

General

The Schedules of Assets and Liabilities (collectively, the “Schedules”) and the Statements of Financial Affairs (collectively, the “Statements” and, together with the Schedules, the “Schedules and Statements”) filed by the Debtor (also referenced herein as the “Company”) in the above-captioned case pending in the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”) were prepared, pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), by management of the Debtor, with the assistance of the Debtor’s advisors.

Although the Debtor’s management has made reasonable efforts to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances, based on information available at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and Statements, and inadvertent errors, inaccuracies, or omissions may have occurred. Notwithstanding any subsequent information or discovery, the Debtor does not undertake any obligation or commitment to update the Schedules and Statements.

The Schedules and Statements are unaudited and subject to potential adjustment. Because the Schedules and Statements contain unaudited information and remain subject to further review, verification, and potential adjustment, there can be no assurance that these Schedules and Statements are complete. Nothing contained in the Schedules and Statements shall constitute a waiver of any right of the Debtor or an admission with respect to this case (including, but not limited to, issues involving claims, substantive consolidation, defenses, equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers), and the Debtor reserves all rights to amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or otherwise assert offsets or defenses to any claim reflected in the Schedules and Statements as to amount, liability, or classification, or to otherwise subsequently designate any claim as “disputed,” “contingent,” or “unliquidated.”

The Schedules and Statements have been signed by James Feltman, Responsible Officer, and authorized agent of the Debtor. Accordingly, in reviewing and signing the Schedules and Statements, Mr. Feltman necessarily relied upon the efforts, statements, and representations of the Debtor’s personnel and professionals. Mr. Feltman has not (and could not have) personally verified the accuracy of each such statement and representation, including, but not limited to, statements and representations concerning amounts owed to creditors, classification of such amounts, and their addresses.

The Schedules and Global Notes (as defined below) should not be relied upon by any persons for information relating to current or future financial conditions, events, or performances of the Debtor.

These Global Notes and Statements of Limitation, Methodology, and Disclaimers Regarding the Debtor's Schedules and Statements (the "Global Notes") are incorporated by reference in, and comprise an integral part of, all of the Schedules and Statements, and should be referred to and considered in connection with any review of the Schedules and Statements.¹

Description of the Cases and Reporting Date

The Debtor filed a voluntary petition for relief under subchapter 5 of the Bankruptcy Code in the Bankruptcy Court. The Debtor continues to operate and manage property as a debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The asset and liability information provided herein, except as otherwise noted, represents the asset and liability data of the Debtor as of June 30, 2020 (the "Reporting Date").

Basis of Presentation

The Schedules and Statements reflect the separate assets and liabilities of each individual Debtor. For financing reporting purposes, Regus Corporation and these affiliated debtors historically prepared consolidated financial statements.

Combining the assets and liabilities set forth in the Debtor's Schedules and Statements would result in amounts that would be substantially different from financial information that would be prepared on a consolidated basis under Generally Accepted Accounting Principles ("GAAP"). Therefore, these Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP nor are they intended to fully reconcile to the financial statements prepared by the Debtor. Unlike the consolidated financial statements, these Schedules and Statements reflect the assets and liabilities of each separate Debtor, except where otherwise indicated. Information contained in the Schedules and Statements has been derived from the Debtors' books and records.

Moreover, given, among other things, the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent as of the date of filing for bankruptcy with the Bankruptcy Court or at any time prior. Likewise, to the extent a Debtor shows more liabilities than assets, this is not an admission that the Debtor was insolvent at any time.

Amendment

While reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements, inadvertent errors or omissions may exist. The Debtor reserves all rights to amend and/or supplement the Schedules and Statements from time to time as is necessary or appropriate.

General Disclosures Applicable to Schedules and Statements

1. **Causes of Action.** Despite reasonable efforts to identify all known assets, the Debtor may not have listed all of causes of action or potential causes of action against third parties as assets in their Schedules and Statements. The Debtor reserves all rights with respect to any claims or causes of action and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims or causes of actions or in any way prejudice or impair the assertion of such claims.

2. **Recharacterization.** The Debtor has made reasonable efforts to correctly characterize, classify, categorize, and designate the claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. However, the Debtor may have improperly characterized, classified, categorized, or designated certain items. The Debtor thus reserves all rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as necessary or appropriate.

3. **Claim Designations.** Any failure to designate a claim in the Schedules and Statements as “contingent,” “unliquidated,” or “disputed” does not constitute an admission by the Debtors that such claim or amount is not “contingent,” “unliquidated,” or “disputed.” The Debtor reserves all rights to dispute, and to assert setoff rights, counterclaims, and defenses to any claim reflected on their Schedules or Statements on any grounds, including, but not limited to, amount, liability, priority, status, and classification, and to otherwise subsequently designate any claim as “contingent,” “unliquidated,” or “disputed.” Moreover, the Debtor reserves all rights to amend the Schedules and Statements as necessary and appropriate. Listing a claim does not constitute an admission of liability by the Debtor.

4. **Unliquidated Claim Amounts.** Claim amounts that could not be readily quantified by the Debtor are scheduled as “unliquidated.”

5. **Undetermined Amounts.** The description of an amount as “undetermined” is not intended to reflect upon the materiality of such amount.

6. **Court Orders.** Pursuant to certain orders of the Bankruptcy Court entered in the Debtor’s case (the “First Day Orders”), the Debtor was authorized (but not directed) to pay, among other things, certain prepetition claims. Accordingly, these liabilities may have been or may be satisfied in accordance with such orders and therefore generally are not listed in the Schedules and Statements. Regardless of whether such claims are listed in the Schedules and Statements, to the extent such claims are paid pursuant to an order of the Bankruptcy Court (including the First Day Orders), the Debtor reserves all rights to amend or supplement the Schedules and Statements as is necessary or appropriate.

7. **Valuation.** In many instances, current market valuations are not maintained by or readily available to the Debtor. It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtor to obtain current market valuations of all assets. Accordingly, unless otherwise indicated, net book values as of the Reporting Date are reflected on the Schedules and Statements. Exceptions to this include operating cash, cash equivalents, and certain other assets. Operating cash is presented as bank balances as of July 31, 2020. Certain

other assets, such as investments in subsidiaries and other intangible assets, are listed at undetermined amounts, as the net book values may vary materially from fair market values. Amounts ultimately realized may vary from net book value (or other value so ascribed) and such variance may be material. Accordingly, the Debtor reserves all rights to amend, supplement, and adjust the value of each asset set forth herein. In addition, the amounts shown for total liabilities exclude items identified as “unknown” or “undetermined,” and, thus, ultimate liabilities may differ materially from those stated in the Schedules and Statements.

8. **Liabilities.** The Debtor has sought to allocate liabilities between the prepetition and post-petition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and post-petition periods may change. The Debtor reserves the right to amend the Schedules and Statements as they deem appropriate in this regard.

9. **Excluded Assets and Liabilities.** The Debtor believes that it has identified, but did not necessarily value, all material categories of assets and liabilities in the Schedules and Statements. The Debtor has excluded certain categories of assets, goodwill, tax accruals, and liabilities from the Schedules and Statements. The Debtor also has excluded rejection damage claims of counterparties to executory contracts and unexpired leases that may be rejected (if any), to the extent such damage claims exist. In addition, certain immaterial assets and liabilities may have been excluded.

10. **Confidential or Sensitive Information.** There may be instances where certain information in the Schedules and Statements was not included or redacted due to the nature of an agreement between a Debtor and a third party, concerns about the confidential or commercially sensitive nature of certain information, or concerns for the privacy of an individual.

11. **Contingent Assets.** The Debtor believes that it may possess certain claims and causes of action against various parties. Additionally, the Debtor may possess contingent claims in the form of various avoidance actions it could commence under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws. The Debtor, despite reasonable efforts, may not have set forth all causes of action against third parties as assets in its Schedules and Statements. The Debtor reserves all of their rights with respect to any claims, causes of action, or avoidance actions it may have and nothing contained in these Global Notes or the Schedules and Statements shall be deemed a waiver of any such claims, avoidance actions, or causes of action or in any way prejudice or impair the assertion of such claims.

The Debtor may also possess contingent and unliquidated claims against affiliate entities for various financial accommodations and similar benefits extended from time to time, including contingent and unliquidated claims for contribution, reimbursement, and/or indemnification arising from, among other things, (i) letters of credit, (ii) notes payable and receivable, (iii) surety bonds, (iv) guarantees, (v) indemnities, and (vi) warranties. Additionally, prior to the bankruptcy, the Debtor, as plaintiff, may have commenced various lawsuits in the ordinary course of its business against third parties seeking monetary damages. Refer to item 4(a)(i), for lawsuits commenced prior to the petition date in which the Debtor was a plaintiff.

12. **Receivables.** The Debtor has not listed individual customer accounts receivable balance information as the Company considers its customer list to be proprietary and confidential.

13. **Intercompany Accounts.** The Debtor records intercompany assets and liabilities through three types of accounts: intercompany trade (includes trade and other business-related transactions), intercompany notes and intercompany dividends. Intercompany trade accounts record sales-type transactions between subsidiaries and affiliates. Intercompany notes reflect loans made between subsidiaries and affiliates.

14. **Guarantees and Other Contingent Liability Claims.** The Debtor has used reasonable efforts to locate and identify guarantees and other contingent liability claims (collectively, "Guarantees") in executory contracts, unexpired leases, and other agreements. Where such Guarantees have been identified, they have been included in the Schedule EF. The Debtor reserves all rights to amend the Schedules and Statements to the extent that additional Guarantees are identified and to remove any Guarantee that was included in error.

15. **Intellectual Property Rights.** Exclusion of certain intellectual property should not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property should not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. The Debtor has made every effort to attribute intellectual property to the rightful Debtor owner, however, in some instances, intellectual property owned by the Debtor may, in fact, be owned by an affiliate. Accordingly, the Debtor reserves all of their rights with respect to the legal status of any and all intellectual property rights.

16. **Executory Contracts.** The Debtor has not set forth executory contracts as assets in the Schedules and Statements. The Debtor's executory contracts have been set forth in Schedule G. In addition, the Debtor has made diligent attempts to properly identify all executory contracts and unexpired leases, but inadvertent errors, omissions, or over inclusion may have occurred.

17. **Estimates.** To prepare and file the Schedules, management was required to make certain estimates and assumptions that affected the reported amounts of these assets and liabilities. The Debtor reserves all rights to amend the reported amounts of assets and liability to reflect changes in those estimates or assumptions.

18. **Fiscal Year.** Each Debtor's fiscal year ends on December 31.

19. **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.

20. **Property and Equipment.** Unless otherwise indicated, owned property (including real property) and equipment are stated at net book value. The Debtor may lease furniture, fixtures, computer equipment, and similar fixed assets applicable of traditional office space from an affiliated debtor. Any such leases are set forth in the Schedules and Statements. Nothing in the Schedules and Statements is or should be construed as an admission as to the determination of the

legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtor reserves all rights with respect to same.

21. **Claims of Third-Party Related Entities.** While the Debtor has made every effort to properly classify each claim listed in the Schedules as being either disputed or undisputed, liquidated or unliquidated, and contingent or noncontingent, the Debtor has not been able to fully reconcile all payments made to certain third parties and their related entities on account of the Debtor's obligations to such parties. Therefore, to the extent that the Debtor has classified an estimate of claims of a creditor as disputed, all claims of such creditor's affiliates listed in the Schedules and Statements shall similarly be considered disputed, whether or not they are designated as such.

22. **Setoffs and Recoupment.** The Debtor takes and is subject to setoffs with certain customers and vendors in the ordinary course of business. Setoffs in the ordinary course can result from various items including, but not limited to, drawdowns on standby letters of credit, withholding/nonreturn of security deposits, and other disputes between the Debtor and certain customers or vendors. These setoffs are consistent with the ordinary course of business in the Debtor's industry.

23. **Totals.** All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the Schedules and Statements. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total. The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount. To the extent a Debtor is a guarantor of debt held by another Debtor, the amounts reflected in these Schedules are inclusive of each guarantor obligation.

Specific Notes Regarding Schedule A/B

Schedule A/B- Part 1 - Checking, savings, or other financial accounts, CDs, etc. Schedule A/B-3 lists closing bank balances as of July 31, 2020.

Specific Notes Regarding Schedule D

Except as otherwise agreed pursuant to a stipulation or agreed order or general order entered by the Bankruptcy Court, the Debtor reserves all rights to dispute or challenge validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D. Moreover, although the Debtor may have scheduled claims of various creditors as secured claims, the Debtor reserves all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including, without limitation, any intercompany agreement) related to such creditor's claim. Further, while the Debtor has included the results of Uniform Commercial Code searches, the listing of such results is not nor shall it be deemed an admission as to the validity of any such lien. Conversely, the Debtor made reasonable, good faith efforts to include all liens on Schedule D, but may have inadvertently omitted to include an existing lien because of, among other things, the possibility that a lien may have been imposed after the Uniform Commercial Code searches were performed or a vendor may not have filed the

requisite perfection documentation. Moreover, the Debtor has not included on Schedule D parties that may believe their claims are secured through setoff rights or inchoate statutory lien rights.

In certain instances, a Debtor may be a co-obligor, co-mortgagor, or guarantor with respect to scheduled claims of debtor and/or non-debtor affiliates, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only as a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

Specific Notes Regarding Schedule E/F

1. **Creditors Holding Priority Unsecured Claims.** The listing of any claim on Schedule E/F does not constitute an admission by the Debtor that such claim is entitled to priority treatment under sections 503 and/or 507 of the Bankruptcy Code. The Debtor reserves all rights to dispute the amount and/or the priority status of any claim on any basis at any time.

2. **Creditors Holding Nonpriority Unsecured Claims.** The Debtor has used commercially reasonable efforts to list all general unsecured claims against the Debtor on Schedule E/F based upon the Debtor's existing books and records.

Schedule E/F does not include certain deferred credits, deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are general estimates of liabilities and do not represent specific claims; however, such amounts are reflected on the Debtor's books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific claims.

Schedule E/F does not include certain reserves for potential unliquidated contingencies that historically were carried on the Debtor's books; such reserves were for potential liabilities only and do not represent actual liabilities.

The claims listed in Schedule E/F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. Determining the date upon which each claim in Schedule E/F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtor does not list a date for each claim listed on Schedule E/F.

Schedule E/F contains information regarding potential and pending litigation involving the Debtor. In certain instances, the Debtor may be the subject of litigation that is unclear or undetermined. To the extent that litigation involving a particular Debtor has been identified, however, such information is contained in the Schedule for that Debtor.

Schedule E/F reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption, or assumption and assignment, of an executory contract or unexpired lease. In addition, Schedule E/F does not include rejection damage claims of the counterparties to the

executory contracts and unexpired leases that have been or may be rejected, to the extent such damage claims exist.

The claims of individual creditors for, among other things, payments and services listed on the Debtor's books and records may not reflect credits or allowances due from such creditors. The Debtor reserves all rights in respect of such credits or allowances. The dollar amounts listed may be exclusive of contingent or unliquidated amounts.

3. **Schedule – Intercompany.** The Debtor maintains business relationships with other debtor and non-debtor affiliates, resulting in intercompany receivables and payables in the ordinary course of business. Such Intercompany Claims arise with the Debtor pursuant to prepetition management service agreements, intercompany trade arrangements, intercompany loan agreements, and other intercompany arrangements. The respective intercompany accounts payable are listed at the net amount due from the debtor as of June 30, 2020 on Schedule E/F for.

Specific Notes Regarding Schedule G

1. **Executory Contracts.** While the Debtor's existing books, records, and financial systems have been relied upon to identify and schedule executory contracts, and although commercially reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions, or over inclusions may have occurred. The Debtor does not make, and specifically disclaims, any representation or warranty as to the completeness or accuracy of the information set forth on Schedule G. The Debtor hereby reserves all rights to dispute the validity, status, or enforceability of any contract, agreement, or lease set forth in Schedule G and to amend or supplement Schedule G as necessary. The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtor's use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument or other document is listed thereon.

In some cases, the same supplier or provider appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider.

Certain of the executory contracts and unexpired leases listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, right to lease additional space, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth separately on Schedule G. In addition, the Debtor may have entered into various other types of agreements in the ordinary course of their business, such as easements, rights of way, subordination, nondisturbance, and atonement agreements, supplemental agreements, amendments/letter agreements, title agreements, and confidentiality agreements. Such documents also may not be set forth in Schedule G.

The Debtor hereby reserves all of its rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument related to a creditor's claim, to dispute the validity, status, or enforceability of any contract, agreement, or lease set forth in Schedule G, and to amend or supplement Schedule G as necessary. Inclusion of any agreement on Schedule G does not constitute an admission that such agreement is an executory contract or unexpired lease and the Debtors reserve all rights in that regard, including, without limitation, that any agreement is not executory, has expired pursuant to its terms, or was terminated prepetition.

The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtor reserves all rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, or any document or instrument (including, without limitation, any intercreditor or intercompany agreement) related to a creditor's claim. Further, the specific Debtor obligor to certain of the executory contracts or unexpired leases could not be specifically ascertained in every circumstance. In such cases, the Debtor used best efforts to determine the correct obligor to list such executory contract or unexpired lease on Schedule G.

In the ordinary course of business, the Debtor has entered into numerous contracts or agreements, both written and oral, regarding the provision of certain services on a month to month basis. To the extent such contracts or agreements constitute executory contracts, these contracts and agreements are not listed individually on Schedule G.

Certain of the executory contracts may not have been memorialized and could be subject to dispute; executory agreements that are oral in nature have not been included in Schedule G.

In the ordinary course of business, the Debtor may have entered into confidentiality agreements which, to the extent that such confidentiality agreements constitute executory contracts, are not listed individually on Schedule G.

Certain of the executory contracts and unexpired leases listed in Schedule G were assigned to, assumed by, or otherwise transferred to the Debtor in connection with, among other things, acquisitions by the Debtor.

The Debtor generally has not included on Schedule G any insurance policies, the premiums for which have been prepaid. The Debtor submits that prepaid insurance policies are not executory contracts pursuant to section 365 of the Bankruptcy Code because no further payment or other material performance is required by the Debtor. Nonetheless, the Debtor recognizes that in order to enjoy the benefits of continued coverage for certain claims under these policies, the Debtor may have to comply with certain non-monetary obligations, such as the provision of notice of claims and cooperation with insurers. In the event that the Bankruptcy Court were to ever determine that any such prepaid insurance policies are executory contracts, the Debtor reserves all rights to amend Schedule G to include such policies, as necessary or appropriate.

In addition, Schedule G does not include rejection damage claims of the counterparties to the executory contracts and unexpired leases that have been or may be rejected, to the extent such damage claims exist.
